

REMARKS

Following affirmation of the Examiner's final rejection of claims 1-8, claim 1 has now been amended. Today's amendment is also accompanied by a Petition of Revive an Unintentionally Abandoned Application. Applicant did not receive copy of the Decision of the BPAI dated July 23, 2010 and was unaware of the decision likely because of the change of address of the undersigned.

Respectfully submitted,

INTERNATIONAL THERMAL
